Step 2 (b) : Create Profile – Education Details

KEY INSTRUCTION

- Select 'Yes' for the 'Currently in School' field.
- This will unlock the fields to enter your current undergraduate college details.

Are you currently in school or starting school this calendar year? *

If you are starting a program such as Bachelor, Masters or MBA this calendar year, please select "Yes" and provide the details of your degree. This will help us ensure your application is reviewed by the correct team. We will also collect additional education and work history in the next sections.

Yes

If you are an MBA candidate, please select the name of your MBA program instead of the name of your university. For example a Wharton MBA student, would select Wharton from the list. If you are an undergraduate student or advanced degree (JD, MD, PhD, masters candidate), please select the name of your university instead of the name of your program. For example, a UPENN Wharton undergrad student should select UPENN from the list.

If your university or program allows, please review or share your GPA or grades for each degree. Grades with decimal positions should be expressed using a dot "." as a separator. E.g., "3.5". For MBA candidates and for all others for whom this grade format does not apply, please put the number "0" in each field.
